*Laguna Pueblo/Choctaw
Jewelry/Miniature carvings*

I am a jeweler from Laguna Pueblo who utilizes the fabrication techniques of hollow form, stamping, overlay, reticulation, and inlay of stones. Miniature figurines are carved using turquoise, fossilized ivory, and shells. My list of shows for 2019 include the NMAI in New York City, the Natural History Museum in Salt Lake City, SWAIA show in Santa Fe, NM, Prescott Market in Prescott, Arizona, and the Heard Museum show in Phoenix. I have several pieces placed into permanent exhibits at the Philadelphia Museum of Fine Art, the California

Institute of Technology, the Arizona State Museum in Tucson, AZ and the wheelwright Museum in Santa Fe, New Mexico.
